## **Board of Supervisors Allocates \$130,000 for Willowbrook Park**

After months of input from Willowbrook residents, a half acre-vacant lot on 119<sup>th</sup> Street in the unincorporated area of Willowbrook, is one step closer to becoming a recreational area with oak trees, green meadows, and a lit walkway.

At its Tuesday meeting, the Los Angeles County Board of Supervisors authorized \$130,000 to purchase a .46-acre parcel of land. Today's vote initiates the process of acquiring land and transforming the half-acre open space into a public oasis.

"The Board's approval to purchase this land continues the momentum for greening the region with parks and gardens and ensuring that every community is within close proximity to open space," said Supervisor Mark Ridley-Thomas. "We are making headway but there is still more work to be done."
